Planning Your Trip

BEFORE YOUR TRIP

1. **Pick a Day:** on the "[Educational Farm Tours](#)" page on our website under "Tours & More" view the calendar to pick a day and time that's available for your tour. The *Earth & Life Tour* is an all day tour, whereas the other two types of tours are not and can be scheduled in the morning or afternoon if one or the other is already booked.
2. **Pick a Tour:** on the "Educational Farm Tours" page you'll see 3 different tour options under the header "*Pick a Tour*". Complete and submit the registration form for the tour that you choose.
3. Next, **Visitor Safety Sheets:** Have each student's parent/guardian complete the "[Visitor Safety Sheet](#)" well in advance. Each child's parent/guardian will need to explain the sheet to the child and then sign it. Parents will also need to know:
 - a. \$8 Dollars Admission
 - b. Bring change to buy pet food (.25 a scoop)
 - c. Snacks will be provided free
 - d. Meals are available to purchase between 12:00 and 1:00 for \$5.00 each
 - e. Students may want to bring \$3 to \$5 dollars to purchase Farm Tour souvenirs
 - f. Review, sign, and return Visitor Safety Sheet and Admission money to your child's teacher the next day.
 - g. Dress appropriately for the weather (*including rain gear!*)
4. **Hand Washing:** Teachers may also want to discuss Hand Washing with their students to reinforce what the student's parent or guardian talk with them about regarding the Visitor Safety Sheet. There is a form available online for your convenience [Hand Washing Sheet](#).
